**Bryant G. Cross**

**ASSOCIATE**

Bryant Cross is an associate attorney at Roberts & Stevens whose practice focuses on healthcare litigation, medical malpractice and healthcare regulation.

Originally from Kalamazoo, Michigan, Bryant received a bachelor's degree from Lee Honors College at Western Michigan University and a Juris Doctor from Emory University School of Law, where his studies concentrated on health law. At Emory, he was a member of both the health law and environmental law societies and participated in the Kessler-Eidson Program for Trial Techniques. He also served as a research assistant for Ani B. Satz, conducting research on topics in medical malpractice, pharmaceutical and disability law.

After spending many years visiting the Blue Ridge Mountains, Bryant is excited to now call Asheville home. When he's not busy guiding clients through ever-evolving healthcare law issues with the firm, Bryant enjoys reading, running trails and rooting for the Detroit Lions.
